

**Lent 2024:** As Lent approaches earlier this year, we recognize the importance of preparation for many in our community. To support you, we've expanded our collection of Lenten resources. Click on the images above for more info on each theme.

**We're thrilled to announce the launch of new products this season.** Detailed descriptions of these exciting additions are provided below. Keep an eye on your email in January and early February for the release of these resources that we're confident you, your family, and community will love!

## NEW FOR 2024: COMING SOON!

### An Illustrated Lenten Spiral

An Illustrated Lenten Spiral will guide you, your family, and/or your community through the Season of Lent with engaging activities, thought-provoking questions, and inspiring nature walks to enjoy together. Our Lenten Spiral calendar begins on Ash Wednesday and continues through Easter Sunday.

### Coloring & Conversation: Lenten Psalms

Following the success of our youth ministry resource "Coloring & Conversation" last fall, we are excited to release a Lenten edition this year. This new edition complements our Psalms Coloring Posters, Coloring Pages, and Devotional Guide. It includes nine lessons featuring discussion questions and reflections for your youth group to explore while coloring the posters or pages.

### Storytelling with Shapes: Holy Week

This innovative resource enables participants to journey through the story of Holy Week using narrative tangram puzzles. Learn how seven individual shapes (tans) combine to form larger images (tangrams) as you recount the journey from Palm Sunday to Easter Sunday. "Storytelling with Shapes: Holy Week" includes five mini-stories, each with shape templates of varying difficulty and a storytelling guide, making it a captivating experience for all ages.

### Storytelling with Shapes: Easter

Experience the story of Easter through narrative tangram puzzles with "Storytelling with Shapes: Easter." This resource provides shape templates and a storytelling guide to retell the story of Jesus' resurrection in a creative and engaging way, suitable for participants of all ages.

### Alleluia Butterfly Sticker

Our popular Alleluia Butterfly Coloring Page & Poster will soon be released as a vibrant sticker! Perfect for distributing on Easter morning, it's a colorful way to celebrate the season.

### Labyrinth Sticker

Inspired by the popularity of our Liturgical Calendar Stickers (and by the many photos we've seen of people putting it on their laptops, right next to their trackpads), we are introducing a new labyrinth sticker. This unique sticker is designed to offer a daily reminder to "Trace inward, release distractions. Pause in the center, receive peace. Trace outward, return renewed."

### Stations of the Cross Worship Planning Guide & Liturgy

To complement our Stations of the Cross resources, we are releasing a planning guide and liturgy for creating two impactful Good Friday Services. Expect a comprehensive guide for service preparation, including liturgy for a Good Friday Noon Worship Service (geared towards adults) and an Intergenerational, Interactive, and Experiential Evening Service.

### Seven Last Words Worship Planning Guide & Liturgy

To complement our Seven Last Words resources, we are releasing a planning guide and liturgy for creating two impactful Good Friday Services. Expect a comprehensive guide for service preparation, including liturgy for a Good Friday Noon Worship Service (geared towards adults) and an Intergenerational, Interactive, and Experiential Evening Service.
